

**Visible docking indicator light**  
(ready to charge)

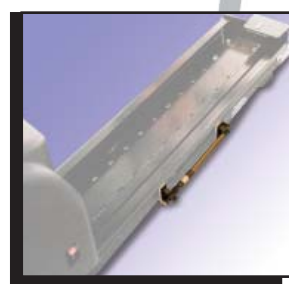

**Guide pin system**  
for added stability

**Safety plate obstruction sensor**

**Optional 3-Point Retractable Belt Package** w/ large release tab and under seat docking bar. These belts are pre-installed on platform

**Manual back-up system** is easy to operate for both vertical and horizontal movements with new flexible shaft (useable with 3/8" drill only)

**On/Off switch in the pendant** NOW turns off the controller (main circuit board) to maintain battery charge. However, the "charging circuit" is still active. This feature eliminates all battery drain from the motor control circuitry, preventing battery discharge during long unused periods.

# Look at Joey's World

**ISO 9001 CERTIFIED**

All Bruno Vehicle Lifts for Scooters, Wheelchairs and Power Chairs are eligible for reimbursement under the terms of the various mobility programs offered by GM, Saturn, Ford, Daimler Chrysler/ Dodge, Toyota, Lexus, Volvo and Volkswagen. These programs provide cash assistance to the consumer for the purchase and installation of adaptive equipment. Benefits are available for leased vehicles as well as outright new automobile purchases. Contact Bruno Independent Living Aids, Inc.®, at 1-800-882-8183 for details and program literature.

- F. 45"/114 cm max. Separation between 3rd row recessed floor pockets used for the Joey floor mount installation.
- G. 13"/33 cm max. Inside edge of door sill to outside edge of bumper.

## Frequently Asked Questions On The Joey

- Q: Will I lose any seating?**  
A: In most cases, Joey uses the existing 3rd row seat floor mounts for installation. Your 2nd row seating is always maintained.
- Q: How will installation/removal of the Joey affect resale of my vehicle?**  
A: A small percentage of Joey applications may require drilling additional holes in the vehicle floor. Once the original seating is reinstalled, resale should not be affected.
- Q: Can the Joey be installed with 3rd row fold-away seating?**  
A: Yes. Joey installation kit(s) work with this type of seating.
- Q: What are the benefits of Joey's Independent Power Supply?**  
A: - Eliminates trailing cords/cables or harnesses that get caught on objects or pinched during travel  
- Eliminates long-term failure due to cable flexing  
- Operation is not affected by vehicle battery failure
- Q: What are the benefits of "on-board charging"?**  
A: - Charges from the vehicle - Low amperage on charging board (2 amp) allows flexibility in charging options: vehicle battery or off-board charging kit to any standard 110V outlet
- Q: What is the length of the Joey warranty?**  
A: Joey is covered under Bruno's Three Year Gold Warranty for parts and service

- Q: Which vehicles can accommodate Joey?**  
A: The list is continually growing. Currently the available applications include:
- 2005-2006 Chevy Uplander, Buick Terraza, Pontiac Montana SV6, Saturn Relay
  - 2004-2006 Ford Freestar, Mercury Monterey
  - 1997-2005 Chevy Venture, Pontiac Montana, Oldsmobile Silhouette
  - 1995-2003 Ford Windstar
  - 2004-2006 Chrysler Town & Country LWB, Dodge Grand Caravan
  - 1999-2006 Honda Odyssey (Vehicles with Stow & Go seating)
  - 2002-2006 Kia Sedona
  - 2001-2006 Chrysler Town & Country LWB, Dodge Grand Caravan
  - 1998-2006 Toyota Sienna (Vehicles without Stow & Go seating)
  - 1996-2000 Chrysler Town & Country LWB, Dodge Grand Caravan, Plymouth Grand Voyager
  - 2001-2006 Plymouth Voyager SWB, Chrysler Town & Country SWB, Dodge Caravan
  - 1995-2005 Chevy Astro, GMC Safari
  - 1988-2006 Chevy Express 1500, GMC Savana 1500
  - 1988-2003 Dodge Ram Van 1500
  - 1988-2006 Ford Econoline E-150
  - 1999-2002 Mercury Villager
  - 1999-2006 Nissan Quest
